St. Bernard Sheriff's Office Served Hot Lunches By Chamber

St. Bernard Sheriff's Office deputies at the Parish Prison and the Field Operations Bureau's Patrol Division Paris Road Substation were treated to lunch on Thursday to show appreciation for their hard work, dedication and willingness to put their lives on the line to protect their community during the COVID-19 pandemic.

The meals were presented by the St. Bernard Chamber of Commerce, sponsored by the Methodist Health System Foundation Inc. and prepared by Arabi Food Store.

Elizabeth Dauterive, the Chamber's chief executive officer, delivered more than 50 meals, which consisted of smoked chicken, potato salad and baked beans.

THE SCALISE CAPITOL REPORT

New CDC Reopening Guidance

The CDC released new reopening guidance for cleaning and disinfecting public spaces, workplaces, businesses, schools, and homes. According to the CDC, this plan is part of President Trump's Guidelines for Opening Up America Again, and it is intended for all Americans, whether you are a business owner, operate a school, or want to ensure cleanliness and safety of your own home.

- CDC's comprehensive guidance: <https://bit.ly/3c4zlv1>
- Updated list of EPA-approved disinfectants for use against COVID-19: <https://bit.ly/35taU8K>

President Trump Provides Additional Support to America's Seniors

President Trump has taken decisive action to ensure our senior citizens remain safe and have access to the resources they need during the COVID-19 pandemic. President Trump recently announced that FEMA will send additional PPE to ALL 15,400 Medicaid and Medicare-certified nursing homes in America.

Additionally, the Centers for Medicare and Medicaid Services (CMS) is providing \$81 million from the CARES Act to states to increase nursing home inspections during the COVID-19 outbreak.

Important Reminder for VA and SSI Recipients

VA and SSI recipients who have a qualifying child and didn't file a 2018 or 2019 tax return have a limited window to register to have \$500 per eligible child added automatically to their \$1,200 Economic Impact Payment. Please use the Non-Filers tool on IRS.gov by MAY 5th to register to have \$500 per child added to your \$1,200 Economic Impact Payment.

The House Must Get Back to Work

The American people are looking to their leaders for steady guidance, yet Speaker Pelosi and her House majority would rather draft bills in secret than lead our country's reopening by showing that we can safely get back to work in Congress. Just as we're watching essential workers in so many segments of our economy perform their jobs every day, we need Congress to start working again on

the growing list of areas that need our focus, like holding China accountable for their failures to disclose the truth about this virus, as well as the need to bring America's supply chain back from China so we don't rely on them for PPE and so many key ingredients for life-saving drugs.

If President Trump and Senate Republicans can be in Washington working safely, there's no reason for House Democrats to prevent us from doing the same.

I joined Fox News Channel's Fox and Friends to discuss Speaker Pelosi's decision to keep the House on the sidelines, instead of coming back to D.C. to lead by example and work on behalf of the American people.

Community Updates and Good News of the Week

It was great watching B-52 bombers and F-15s fly over Ochsner Medical Center in New Orleans to pay tribute to our frontline health-care workers. Watch the video at <https://bit.ly/35uc04h>!

BP is donating 3 million gallons of jet fuel to FedEx and Alaska Airlines to support rapid delivery of essential supplies to areas across the country most impacted by COVID-19.

Louisiana-based Ballard Brands is providing much-needed help to frontline health care workers and the New Orleans community to give back to the area as it fights COVID-19. They provided over 2,000 meals to frontline heroes at hospitals throughout the New Orleans region on April 19th, and, Ballard's PJ's Coffee brand provided over 500 cases of bottle latte and coffee products to health care workers across Southeast Louisiana.

Battelle's Critical Care Decontamination Systems (CCDS) has been shipped to New Orleans. This is a game changer for hospitals and health care providers in our area, as this technology can sterilize used protective masks in hours.

I joined Fox News Channel's Mornings with Maria to discuss how our country can reopen without tradeoffs between safety and economic health to rebound from Coronavirus.

It is an honor to represent you in Congress. For more information please visit my website, Twitter, Instagram, and Facebook pages.

God Bless,

Steve Scalise, House Republican Whip

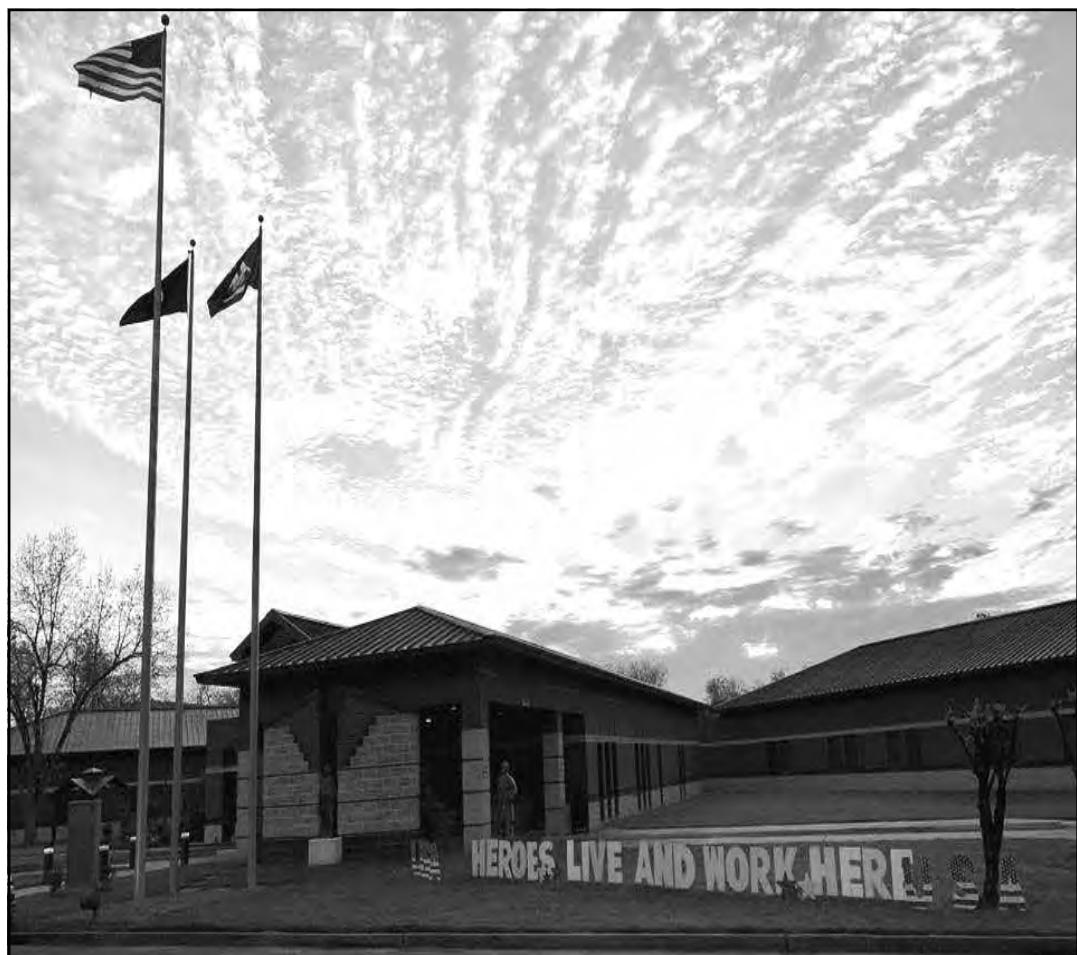

Louisiana Department Of Veterans Affairs To Honor Heroes At Five State-Run Veterans Homes

Louisiana Department of Veterans Affairs Secretary COL Joey Strickland is asking all Louisianans to join the Department in honoring the heroes who live and work at Louisiana's five state-run veterans homes on Friday, May 8. Louisianans can honor the homes' heroes by displaying an American flag at their home or business and posting a picture of it on the Department's Facebook page.

"We owe an enormous debt of gratitude to each and every veteran living in our homes for their service to our country and state," COL Strickland said. "We are also extremely grateful for the more than 700 staff members at our veteran homes who heroically care for our nation's heroes, especially during this pandemic. These healthcare professionals have gone above and beyond over the past several weeks, and I could not be prouder of their unselfish service to our Louisiana veterans and their families."

The state's five veterans homes are the Louisiana Veterans Home in Jackson; the Northeast Louisiana Veterans Home in Monroe; the Northwest Louisiana Veterans Home in Bossier City; the Southeast Louisiana Veterans Home in Reserve; and the Southwest Louisiana Veterans Home in Jennings.

The Department's Facebook page can be found at facebook.com/VetAffairs.La.Gov. For more information about the Louisiana Department of Veterans Affairs, visit vetaffairs.la.gov.

Clean the area or item with soap and water or another detergent if it is dirty. Then, use disinfectant.

- High touch surfaces to disinfect include: doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, sinks, etc.
- Tables, chairs, and seats should be cleaned after every customer.

Recommended Cleaning Products

- Clean the area or item with soap and water or another detergent if it is dirty. Then, use disinfectant.
- Recommend use of EPA-registered household disinfectant. Follow the instructions on the label to ensure safe and effective use of the product. Many products recommend:
 - Keeping surface wet for a period of time (see product label)
 - Precautions such as wearing gloves and making sure you have good ventilation during use of the product.
- Diluted household bleach solutions may also be used if appropriate for the surface.
 - Check the label to see if your bleach is intended for disinfection, and ensure the product is not past its expiration date. Some bleaches, such as those designed for safe use on colored clothing or for whitening may not be suitable for disinfection.
 - Unexpired household bleach will be effective against coronaviruses when properly diluted. Follow manufacturer's instructions for application and proper ventilation. Never mix household bleach with ammonia or any other cleaner. Leave solution on the surface for at least 1 minute.
- To make a bleach solution, mix:
 - 5 tablespoons (1/3rd cup) bleach per gallon of water, or

- 4 teaspoons bleach per quart of water
- Alcohol solutions with at least 70% alcohol may also be used.

Edith Adelaide Nunez

Edith Adelaide Nunez passed away on Wednesday, April 15, 2020 at the age of 96. She was the cherished wife of the late Roger "Teta" Nunez. Loving mother of Lynn Nunez Gagnon (the late Lynn Paul Gagnon) and the late Kirk Lee Nunez (George). Daughter of the late Joachim "2-2" Nunez Sr. and Odile Nunez. Sister of the late Joachim "4-4" Nunez Jr. (Dorothy Chapman). Proud grandmother of Todd Nunez (Cheri) and Cade Nunez (Chantel). Great grandmother of Kirk Nunez. Also survived and fondly remembered by her "other daughter" and my "other sister" Sonia Nunez Monk (Chris).

Edith enjoyed the simple pleasures in life and taught us the importance of family bonds & simplicity. She treasured spending time with her beloved Reggio & Islenos friends & family. Her cooking skills were incredible; her favorite was cooking gumbo for all she loved. Some of her favorite times were spent watching & listening to birds, playing the piano, singing & playing hymns as well as other music and she couldn't resist a good cup of coffee!

She was married to her Prince Charming, "Teta" and he made sure she knew she was his Princess. Many who knew her only knew her as the quiet Southern Belle who enjoyed "rocking" on her front porch; those who knew her more intimately will remember her for her tough, resilient, "spicy", sassy, side!!

Although Reggio was always her beloved home, the only home that could replace Reggio is where she is now! She is experiencing more than she could have ever dreamed or imagined! The scripture from 2 Corinthians 5:8 certainly applies. "We are confident, I say, & would prefer to be away from the body and at home with the Lord." Excerpt from a devotional - Paul did not just say that "We will be at home." He said, ".....at home with the Lord". What a heartwarming image knowing she is rejoicing with her loved ones, along with the Lord! 1 Thessalonians 4:13 And now, dear brothers and sisters, we want you to know what will happen to the believers who have died so you will not grieve like people who have no hope! (That belief & hope is our comfort as we grieve her loss).

Special thanks to the entire staff at Forest Manor Nursing Home and Rehabilitation Center. They loved my mother tremendously! Many thanks to my adopted sisters, Vana Jackson, Tracy Kondas, & her hairdresser, Diane Johnson. They faithfully helped me with my mom, visited her regularly and loved her dearly.

My mother was a fan and supporter of Billy Graham so in lieu of flowers or cards, please consider sending donations to his son, Franklin Graham's organization who is presently helping with the COVID 19 Crisis, Samaritan's Purse Emergency Medicine Fund. This would be most appropriate and timely. I have set up a memorial in her name, www.samaritanspurse.org/donation-items/emergency-medicine.

Samaritan's Purse, P.O. Box 3000, Boone, NC 28607, 828-262-1980

She will be laid to rest with a private graveside service to be held at St. Bernard Catholic Cemetery, St. Bernard, LA.

revolutionizing the manner in which oysters are harvested.

His main business ventures were Ralph's Welding and Machine Shop, Inc., Mr. Rabbit Seafood, Inc., and Buras and Kuylen, aka "The Station."

Married to Anna Butscher Buras for the past 61 years, Ralph served in the United States Army in the clean-up efforts after WWII. He was stationed in Germany. He graduated from Delgado Community College in 1957.

Ernest M. "Buddy" Koch

Ernest M. "Buddy" Koch passed away peacefully surrounded by his family on March 22, 2020, at the age of 91. He was born on December 11, 1928, to Ernest George and Carrie Berthel Koch. He was a native of New Orleans, a past resident of St. Bernard Parish for 51 years, and currently resided in Covington, Louisiana. He was the beloved husband of Yvonne Brandt Koch, who he lovingly referred to as his "Beaut" for 69 years. He served in the United States Navy Reserves.

Buddy was a devoted employee who worked for Hayes Dockside, Inc. for 39 years. His warm smile and contagious laugh earned him the nickname "Buddy" because he made friends wherever he went. Always the life of the party, he loved laughing and a good joke (sometimes a bit off-color). He was an avid gardener who loved sharing his Creole tomatoes and other vegetables with his family and friends. A larger-than-life character, he was devoted to his family, whom he was so proud of. After retirement, he became the chauffeur for his grandchildren and great-grandchildren, picking them up from school and activities. He loved family gatherings and crawfish boils, teaching his sons the fine art of purging and seasoning crawfish. He is preceded in death by his parents and his son, Chris R Koch. Buddy is survived by his wife, Yvonne, and his children, Kathleen (Joe) Guillotte, Carolyn (the late Michael) Silcio, Geraldine "Deanie" (Jimmy) Shephard, and Ricky (Susan Dendinger) Koch. He was the proud grandfather of Timothy (Shannon) and David Guillotte, Yvonne (Quincy) Cook and Eric (Samantha) Silcio, Tina (Duke) Mauterer and Ryan (Joy) Shephard, Kelly (Donald) Talazac and Zachary Koch, and Michael and Patrick Koch. He had 16 great-grandchildren. Due to the current state of affairs, and out of an abundance of caution, a private service was held at St. Bernard Memorial Funeral Home. He was laid to rest in St. Roch No. 2. To our extended family and friends who were an integral part of his life and very important to us, we request that you consider sharing your fondest memories of Buddy with us at www.stbernardmemorial.com.

Jean Ragas Grayson

Jean Ragas Grayson passed away peacefully at her home on Saturday, April 4, 2020 at the age of 76. Beloved wife of the late Samuel F. Grayson, Jr. Cherished companion of Larry J. Simon for the past 20 years. Loving mother of Janel Lamkin (John) of Poplarville, MS, Gina Richardson (Terry) of Bend, OR and Samuel F. Grayson III (Sheila) of Portland, OR. Daughter of the late Paul Ragas Sr. and Louise Porcello Ragas. Sister of Fayann Ragas of Denham Springs, LA and the late Paul Ragas Jr. Proud grandmother of Krystal Shoemake, Conor Lamkin, Ava Grayson, Leah Grayson, Owen Richardson, Ryder Richardson, Britain Cox and Avril Collazo. Great grandmother of Cayden Shoemake, McKenzie Shoemake and Calleigh Vallette. Also survived and fondly remembered by Heather Simon (Timmy) of Violet, LA, Sean Green (April) of Brandon, FL and many nieces & nephews.

Jean was born on January 18, 1944 in New Orleans, LA. She was a longtime resident of Kenner, LA and a current resident of Henderson, LA for the past 15 years. She was a Code Enforcement Clerk for the City of Kenner and retired after many years of dedicated service. She was a member of The St. Martin Council on Aging and a Parishioner of Our Lady of Mercy Catholic Church. She will be deeply missed by her family, friends and all of those whose lives she touched.

Due to current circumstances a private graveside service will be held at St. Bernard Memorial Gardens, 701 W Virtue St., Chalmette, LA on Friday, April 10, 2020. A Celebration of Life will be held at a later date.

Raymond Charles Doran, Sr.

Raymond Charles Doran Sr., passed peacefully from this life on Sunday, March 29, 2020, at the age of 98. Beloved husband of the late Alice Viola Dunn Doran and is survived by his loving daughter, Barbara Doran Serpas (Frank) and his sons, Raymond C. Doran Jr. (Gloria)

and Michael E Doran (Debbie). Survived by cherished grandchildren, Jessica Doran Guillot (Benji), Natalie Doran Tallet (Brian), Raymond C. Doran III (Nicole), Eric Doran (Tara), Frank E. Serpas, Jr., Alicia Serpas Kewin (Brendon), Matthew J Serpas, Hannah Doran Mauer (Mark) and Peter J. Gimre. Great grandfather of 17. Raymond was the son of the late Eugene James Doran and Mary Elizabeth Cooke Doran and the brother of the late Catherine J. Doran, Eugene J. Doran Jr., Hugh H. Doran Sr., William D. Doran Sr., John O. Doran Sr., Carmel Elaine Doran Triche and Brother Doran. He is survived by many nieces and nephews. Raymond was a devout Catholic and a longtime parishioner of Immaculate Heart of Mary and Our Lady of Prompt Succor parishes. He blessed us with many happy memories and is once again reunited with his beloved Alice after over 65 years of marriage. He grew up in the ninth ward of New Orleans and entered World War II in 1942. He served in the US Army Air Corp, 450th Bomb Group, "The Cottontails", 47th Wing, 15th Airforce, 723rd Squadron and was stationed in Manduria, Italy (1943-45). <http://www.450thbg.com/real/biographies/doran/doran.shtml>. He rarely talked of the war but was a living example, as most of his WWII veterans, of one who lived a good life to honor those he served with, who never came home. Some of the family's fondest memories are of him and his brothers talking of their service overseas and the tidbits of knowledge they shared with us children. He often worked two jobs to put his children through Catholic school, as many of this generation of doers. He spent many years as a project estimator and auto mechanic. He was truly a jack of all trades. Dad and his brothers built many a family home, swinging hammers, to help us all in achieving the American dream. Always available to help neighbors and others. We often had a neighbor's car up on jacks in our driveway. He was as good with his hands as with his sharp mind. He was employed and retired from the US Naval Support Activity and the Port of Embarkation in New Orleans. His wisdom and knowledge will live for generations through his family and friends. The family greatly appreciates the loving and compassionate care provided by his caregivers at the Southeast Louisiana Veterans Home in Reserve, LA. We would also like to point out the love and support of our sister Barbara and brother-in-law Frank, and their family who cared for dad over these last years.

Interment will be at St. Bernard Memorial Gardens with a private ceremony on Monday April 6th at 1100 a.m. The family would love to have a large celebration of dad's life, but these are trying times and we would like to wish all of you the blessings of Our Lord Jesus Christ in this life, and a safe journey. In lieu of flowers, please donate to St. Jude Research Children's Hospital, 501 St. Jude Place, Memphis TN 38105, a lifelong

Tracy Simon Landry

Tracy Simon Landry entered eternal rest in New Orleans on April 3, 2020. He was born in New Orleans and was a lifelong resident of Meraux Louisiana. He was a loving husband, son, brother, uncle and friend. In his early adulthood at the age of 20, he was drafted into the Military in 1967 and joined the U.S. Navy SeaBees. He served in the Vietnam War. He was discharged from

service in 1969. He met his wife Carolyn and somehow convinced her to marry him after only 3 months of dating. They married the following April of 1970. He worked construction and iron work. He taught welding at St. Bernard Parish VoTech. He was an avid fisherman and trawler of which he made a good living. He then became a project engineer for Broadmoor, then Gibbs Construction and finally the McDonnell Group where he retired in 2004.

He is survived by his beloved family: wife Carolyn Poirrier Landry, son Troy and daughter-in-law Elaine and grandchildren Lane Palmisano and Ellie Landry. Also, his sister Lois Landry Saunier, brother Kermit Landry (Donna) and brother Glenn Landry (Dolores), and sisters-in-law Hazel Heaney and Lena Poirrier. Also survived by many loving nieces, nephews, cousins and friends.

He was preceded in death by his parents Lenies and Leona Landry, his son Todd Landry, loving dog companion Tiki, his sisters-in-law Claire Poirrier Puissegur, Linda Poirrier and brothers-in-law Sidney Poirrier, Frank Poirrier, George Heaney and Clifford Saunier.

Tracy was a quiet man of few words who refrained from sharing his opinions. He was the quintessential optimist. JUST KIDDING! Everyone who knew him, knew him as a boisterous man who was very opinionated and loud, humorous yet very pessimistic. That is who we loved. He also loved to make everyone around him laugh. He was a headstrong man but soft like a teddy bear. He didn't hesitate to show emotion and help his friends, family and neighbors.

Tracy loved to ride his motorcycle, go fishing and duck hunting. He loved to take a drive and go to "da island". As a teenager, he often burned the tires off his cars, but his parents never understand why his tires didn't last long. Thus, as an adult, he enjoyed going to car races with his friends. He prided himself as being a "food connoisseur". He could always tell you where to get the best of any cuisine you were looking to try, because he had been everywhere in South Louisiana, dragging poor Carol with him, looking for the best of whatever he craved. He had a decades long love affair with boudin, cracklins, hogs head cheese and Alka seltzer. He loved that Alka seltzer. "It tastes like candy" is what he would say. He was a great cook as well, known for his great baked macaroni, chicken wings, weenie stew, Gumbo, roast and ribs.

Most of all, he loved and cherished his family. He shared a lot of wisdom and love, for which we all benefit. We are all blessed for having him in our lives. Tracy, you are Forever in our Hearts.

Due to current circumstances, private funeral services will be held at St. Bernard Memorial Funeral Home, 701 W Virtue St., Chalmette, LA. He will be laid to rest with military honors in St. Bernard Memorial Gardens.

The family invites you to share your thoughts, memories, and condolences online at www.stbernardmemorial.com.

DEAR FRIENDS,

I hope that you and your families are safe during this trying time. Despite the challenges and disruptions posed by COVID-19, I am confident that the resilient, caring people of our parish will persevere.

First off, I would like to offer prayers and love to all of the families who have suffered loss during the pandemic.

This public health emergency has also shone a light on the strength of so many of our friends and neighbors. From our health care workers and first responders on the front line to the truck drivers and grocery store workers serving essential functions during this time, we offer our sincere gratitude.

The Meraux Foundation is a proud partner with many community groups, and we have donated land for many worthy causes, but at this time, knowing we provided the land on which our St. Bernard Hospital sits, makes us extra proud and grateful. Thank you to all who made that vision a reality and to all working there today to care for our community during the pandemic.

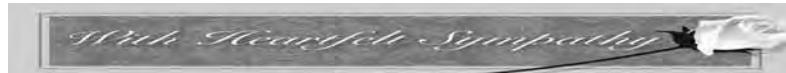

We also applaud the Chalmette High School Class of 2020. While the end of the school year has not gone as planned, the achievements and accomplishments of this senior class will be celebrated. We look forward to recognizing this year's Meraux Foundation Scholars next month as part of graduation.

While many things have changed over the last several weeks, what hasn't changed is the Meraux Foundation's commitment to this community. Please stay safe, shop locally, and trust that this latest challenge will not deter us from our mission of making St. Bernard a great place to work, visit, and live.

Sincerely, Rita Gue
