## Sports Hall 25th Anniversary Induction Ceremony

St. Bernard Sports Hall of Fame Board of Directors [STANDING L-R] Edward Appel, Sam Catalanotto, Rene Hyer, Melissa Barbay Gaye, Roy Cortes, President Dr. Bryan Frichter, and Scott Gaillot. [KNEELING L-R] Shane Quirk, Ron Evans and Raymond Doran.

The St. Bernard Sports Hall of Fame was founded in June of 1992, when a group of childhood friends met at Par 3 Restaurant for an organizational meeting. The charter members were Roy Cortes, Earl Laigast, Dr. Bryan Frichter and Ronnie Kornick

Sr. The loss of their childhood baseball coach, Samuel "Sammy" Frichter Sr. sparked the idea. With the birth of the Sports Hall would come expenses. A sponsor was needed. Nick Trist, president of Peoples Bank of St. Bernard, said, "Where do I sign and how much do you need." In 1995 the first Hall of Fame Induction Ceremony was conducted at the St. Bernard Cultural Center. The first two inductees, Norris Weese, NFL quarterback with the Denver Broncos and Jerry Pellegrini, "The Boxing Barber", #3 in the world welterweight, set the bar high and gave the organization instant recognition.

The St. Bernard Sports Hall of Fame continues to have a clear mission. To recognize athletes, sports personalities and coach-

es who have made their mark in St. Bernard Parish or were residents of the parish and made their mark elsewhere. And to never allow these honorees to be forgotten.

Over the past 24 years the SBSHOF has inducted 60 parish athletes into the hall. The Sports Hall of Fame has recognized 55 amateur athletes and awarded 28 individuals for their humanitarian and coaching contributions to St. Bernard Parish athletics. The Hall of Fame has donated over \$175,000 dollars to the Athletic Departments of the St. Bernard Parish Schools, Recreation Department Ballparks, Special Olympics, the League of Angels and other sports programs.

## St. Bernard Sheriff's Office Warns Residents Of Phone Scam

The St. Bernard Sheriff's Office wants to warn residents of a phone scam involving victims who have reported receiving phone calls stating they must pay money or a warrant will be issued for their arrest, Sheriff James Pohlmann said.

The caller, who claims to be a deputy with the St. Bernard Sheriff's Office, instructs the victim to wire money or purchase gift cards, in some cases from Walmart, then provide them with the gift card information to nullify the warrant and avoid arrest.

The Sheriff also warns the number seen

on caller ID may not be accurate and could be spoofed by the caller to appear as a Sheriff's Office number.

Sheriff Pohlmann wants residents to know the majority of the time a valid arrest warrant is served in person by law enforcement officials.

In rare circumstances where a law enforcement official may call you if you have a warrant, the Sheriff said, under no circumstances will that officer ever ask you to give them money by any means or form of payment.

If you have received a call from someone claiming to be a deputy with the St. Bernard Sheriff's Office asking you for money to avoid arrest, call the Sheriff's Office at (504) 271-2501 to make a report.

# THE SCALISE CAPITOL REPORT

## Meeting with Community and Business Leaders in Houma

I enjoyed meeting with community and business leaders in Houma earlier this week. We discussed funding for the Morganza-to-the-Gulf flood protection project, which will provide much-needed flood protection for thousands of families and businesses in Southeast Louisiana and protect billions of dollars in economic activity transported through our region that provide valuable energy resources to fuel this country while allowing our state to dominate in domestic and international maritime and energy commerce.

We also talked about the National Flood Insurance Program and President Biden's decision to halt energy leasing and permits, which will impact more than 34,000 jobs in the state over the next 10 years and undermine America's energy security. I've urged the Biden Administration to reverse this leasing ban and commit to affordable energy for all Americans.

## Awarding Louisiana's Elementary Teacher of the Year

I met with Kenner resident Angelle Bourgeois, the 2021 Louisi-

ana Elementary School Teacher of the Year. Angelle is the assistant principal at Allemands Elementary School in Des Allemands and was recently honored at the State Capitol in Baton Rouge for her award. Congratulations, Angelle!

## Pointing Out President Biden's Policy Failures

I joined Fox News Channel's Fox and Friends to talk about President Biden's self-created crises which have hurt American workers, led to skyrocketing inflation, and paved the way for Russia, China, and Iran to grow stronger on the world stage.

President Biden's performance has been dismal since he took office. He's costing hard-working Americans their jobs and giving them to foreign countries. Our adversaries are testing President Biden right now, and he's failing those tests. He canceled the Keystone XL pipeline, lifted sanctions on the Nord Stream 2 pipeline, and is trying to give away our intellectual property of the vaccine to China. President Biden's policies right now are destroying the fabric of America.

It is an honor to represent you in Congress. For more information please visit my website, Twitter, Instagram, and Facebook pages.

God Bless,

Steve Scalise, House Republican Whip

# Election Integrity Bills Passed Through Legislature

Secretary of State Kyle Ardoin is proud to announce the passage of key pieces of legislation during the 2021 Regular Legislative Session. "I am very proud of the fact that Louisiana already has a reputation for election integrity, and we have taken greater steps to maintain that standard of excellence this legislative session. These new laws and bills that remain will further guarantee that our elections remain safe, fair, accurate and transparent. I am grateful for the hard work and dedication of so many legislators, and urge the Governor to sign these remaining, important pieces of legislation," Ardoin stated.

## Legislation that has already been signed into law:

**ACT 12** (Gadberry) Requires specified members of the parish board of election supervisors to complete annual training relative to the preparation for and conduct of elections. This will ensure competence and expertise in the execution of elections.

**ACT 13** (Stagni) Requires persons conducting exit polls within six hundred feet of a polling place to register with the secretary of state. This legislation will help ensure that polling locations remain nonpartisan.

**ACT 16** (Cormier) Provides relative to required orientation and training of new

registrars of voters. This will help guarantee uniformity in the operation of elections.

**ACT 85** (Bernard) Provides relative to acts prohibited during early voting and on Election Day. This would help preserve the nonpartisan nature of polling places.

**ACT 127** (Jenkins) Provides procedures, reports, and definitions relative to registration and voting by a person with a felony conviction.

## Legislation that is awaiting the Governor's signature:

**HB 138** (Farnum) Creates a supplemental canvass of registered voters. The additional canvass will help identify voters who have moved and need to update their addresses, thereby keeping voter rolls up to date for election integrity.

**HB 167** (Johnson) Provides criteria for removing deceased persons from voter registration rolls. This legislation would require registrars of voters to cancel the registrations of deceased persons within 30 days of receipt of a death certificate. This is yet another way to keep voter rolls up to date.

**HB 329** (Harris) Changes the age of a child who may accompany a parent or legal guardian into a voting machine. This will make it easier for parents to vote.

**HB 330** (Harris) Increases the

number of commissioners for the presidential preference primary election, matching the number of commissioners in gubernatorial and congressional elections.

**HB 388** (Harris) Provides a longer period of time for a parish to prepare and verify absentee by mail and early voting ballots three days before Election Day.

**HB 581** (Johnson) Makes certain revisions to the Louisiana Election Code.

**SB 63** (Mills) Requires a hand-delivered absentee by mail ballot to be returned to an employee of the registrar at the registrar's principal office, branch office, or early voting location during the period for early voting.

## Additional legislation the Secretary of State collaborated on and provided testimony to forward election related issues:

**HB 704** (Hodges) Provides certain changes relative to elec-

tions. This legislation would allow political parties to send poll watchers to precincts and would enhance election integrity.

**SB 220** (Cloud) Provides relative to the legislative auditor examinations, audits, and reviews of elections and retention of election records. This would require election officials to keep records for at least two years after the date of an election.

**SB 221** (Hewitt) Provides relative to voting systems. This legislation would enhance election integrity and voter system security.

**SB 224** (Cloud) Provides for voter identification information and verification requirements for absentee by mail and early voting ballots. This would enhance election integrity and help to prevent voter fraud.

# Summer Reading Continues at the Library

New Orleans Opera

Summer readers are making lots of noise at the library and we have just the tale to tell all about it. Page Turner Animal Adventures presents Such a Library by Jill Nadler Ross, aka Page Turner, as part of Show Day on Monday, June 14th. Library families can watch her special performance on the library's summer reading website by visiting [mysbpl.org/srp2021](https://mysbpl.org/srp2021). Links to all current and past shows are available and viewers

can watch them as many times as they like from wherever they are!

The virtual Such a Library presentation kicks off the library's third week of activities. Library friends of all ages can enjoy tons of virtual programming every day of the week from crafts, to author illustrator interviews, to special guest and virtual artist visits. The St. Bernard Parish Library invites families to visit the library on Wednesday, June

16th at either 11 a.m. or 1 p.m. for its In & Out story program. Grab and Go crafts will be available following the story times and throughout the week while supplies last. This week we'll be walking on the wild side of some great trickster tales like Tops and Bottoms by Janet Stevens. Mark your calendars for this tricky program or better yet, stop by the library to pick up a calendar of all of our summer activities. Rounding out the week will be interviews with Donna Gephart, author of How to Survive Middle School and a Sponsor Surprise video by Samantha Perez of the Japan Society of New Orleans. Our third week will come to a magical ending with a virtual magic show with David Leboeuf.

Week 4 will start Monday, June 21st with a star-studded virtual gala, the Pawcademy Awards with Page Turner Animal Ad-

ventures. Animal stars will walk, crawl, and hop the red carpet as we enjoy Celebrity Pet Week. All week long summer readers will be able to enjoy pet tales, virtual craft shows, and see a new Sponsor Surprise video by Jared Kattengell of Katt Forge, a local blacksmith.

Friday, June 25th library families will be treated to a special virtual performance by members of the New Orleans Opera Association. Summer readers can put on their favorite shorts, t-shirts and flip flops and hear a variety of operatic tales including one about snowballs and New Orleans in the summer heat! The St. Bernard Parish Library is extremely grateful to New Orleans Opera Education for sharing this free presentation with our summer readers. This special virtual presentation includes songs from popular musicals, well known fairy
